		Correction on Report No. 24, week June 18, 1942											
		Case of Yellow Fever reported from the 35th Inf. Div. Los Angeles, Calif. for the week of June 6, 1942 was an error in diagnosis.											

*This summary is incomplete in that reports from all stations are not included. Only larger stations, or stations representative of a geographical area are included. Fluctuations in strength at some stations, or in some areas, may be the result of not having received all reports from those stations or areas at the time this summary is published.
